Media accreditation:

The deadline for accreditation is May 11^h 2018.

You can apply for accreditation to individual stages or overall to all stages.
All accreditations has to be confirmed by e-mail from OC to be valid. Further info, including the road book, will be provided through access to the media drop-box.

Only photographers and pilots which carry the official approval from UCI for driving in races will get MC-approval.
Radio receiver for radio tour required.

There is no organised transport to/from the cities of start and finish, but let us know if you need so.

All media cars must carry the blue official car accreditation when driving parts of the route, or parking at the official parking spots. This car accreditation has to be requested and will be handed out together with the personal accreditation badges. No cars carrying the official blue accreditation have access closer than 20 minutes ahead of the first rider. No cars with blue accreditation are allowed to overtake riders at any time.
